T&C For Copy Trading:

- You are required to pay a Non Refundable Admin fee upfront before you are connected to our copy trading service.
- Note that the Admin fee is paid on a monthly basis.
- You are required to send our Daily share as agreed and failure to do so will result to being disconnected with immediate effect.
- For any delay in sending payments, contact us immediately for further information.
- Countercheck the mode of payment and make sure you use the right payment services to avoid any mistakes.
- SJay Traderz has the Right to discontinue your Account from our services if we notice any dishonest in payments and profit sharing.
- Never delete the API token you send to us, doing so will result in your account not receiving our Trades taken under copy trading Services.

T&C For Investments:

- You are required to Send Your Investment in order for you to part of our pool Account.
- You will be receiving an agreed percentage % of the amount you invested every month for the months agreed upon.
- You will be receiving your investment % share within the 4days timeframe of the day you invested, eg if you invested on 2nd January meaning you will be receiving your payment every month either on 2nd, 3rd, 4th or 5th (weekends are Excluded). This is due to limits in sending threshold that are allowed on a daily by financial companies and institutions.
- You are not allowed to withdraw money, just because you wish to do so.

NOTICE:

- Trading or investing in trading is not suitable for everyone, there are chances for anything to happen in the market and the market can either go our way or not.
- Not all days are profitable, some days we might make money and some we may lose money.
- We don't move or control the market, we only analyze the market and let the rest do its movement.
- If there is a **LOSS** made on the account, We are not to be held responsible for the, for as stated in the exact above point (We do not control the market movements)
- In case of any incident or loss of funds, SJay Traderz will not be held responsible for Refunds or expected to refund any one.
- If we decide to refund anyone (**BY OUR CHOICE**) it will only be out of good will, and the percent amount we would refund is not solid for that will surely be decided by us, **not mandatory**.

NOTE: Trading has a high risk and is not suitable for all investors. Past performance is not an indication of future results. In this case, as well, the high degree of leverage can act both against you and for you.

WE DON'T WORK & OPPERATE ON WEEKENDS.

Thank You for taking time choosing to work with Us, Looking forward to working and making Profits with You.

Sincerely,

John Sinyangwe
